

Delinea Partner Program - Latin America

Join Delinea to grow your sales and profits with a leader in Privileged Access Management and security solutions

With over 180,000 IT administrators using our software globally, demand for our products is constantly increasing and we're looking for dedicated partners to sell, support and extend our Privileged Access Management solutions. Boost your sales and market share by offering your customer's the best value for solving the urgent business challenges of managing and protecting privileged password credentials. Fastest to deploy and easiest to use, your customers will find Delinea solutions simply indispensable.

✓ Why Privileged Access Management?

- IT and Information Security professionals agree on the need to manage and audit their privileged access accounts to protect their organisations.
- According to the 2021 Verizon Data Breach Investigations Report (DBIR), 61% of breaches involved privileged credentials.
- A McKinsey and Company report estimates the PAM market to be \$2B in 2022, growing at 13-15% per annum over the next three years to \$3B

✓ Why become a Delinea Partner?

- Help your customers solve their cybersecurity challenges with industry leading privileged access management solutions.
- Increase your revenue base – sell more solutions with significant margins.
- We are with you at every step, providing deep sales and technical training and free demo/trial accounts.
- We offer generous revenue share and sales incentive programs for opportunities you source and win.
- Delinea (formerly Thycotic and Centrify) is a recognised Leader in Gartner, Forrester and Kuppinger Cole analyst reports.

✓ We make your task even easier.

- Compared to other solutions in the market, Delinea solutions are simpler and faster to implement.
- Delinea solutions are available as an on-premise solution as well as a cloud-native solution.
- Trial and demo licenses are available to show and test Delinea software.
- Use our best practice templates to quickly solve real business problems for your customers.

Choose the partnership that works best for you.

✓ Delinea Reseller Partners

Value Added Resellers can benefit from our highly profitable partnered sales model with a predictable and rapid selling cycle. Resellers receive significant margin discounts, a variety of training and education support, access to a resource rich Partner Portal, co-marketing funds and a lucrative rewards program.

If you already sell and support enterprise-level IT infrastructure, IT security or compliance solutions or have an existing customer base with a need for Identity and Access Management tools, let's talk and determine which partnership level best fits your business.

✓ Delinea Managed Service Provider Partners

Managed Service Providers (MSPs) can provide Privileged Access Management as a Service to your customers through a fully featured PAM offer for MSP deployments powered by Delinea technology.

✓ Delinea Distribution Partners

As a value-added distributor, you'll be able access product details, program elements and other important information, all designed to help you move forward, gain a competitive edge and build your business.
